

# Consolidated Agricultural Services

Bringing It Together

## ABOUT US

Consolidated Agricultural Services (CAS) was established as a service company to primarily address and improve the unique set of needs of Associations, Institutions, and Small, Medium & Micro Enterprises (SMMEs) in the Agricultural and Agricultural Processing Arena.

CAS offers 27 years of direct hands-on experience in the Agricultural Institutional environment, a testimony of a well-established track record of cooperation

with all stakeholders in various Value Chains, with Government departments being vital institutional partners, both locally and internationally.

CAS furthermore offers access to a network of internationally recognised industry experts specialising in the full spectrum of Agriculture, i.e.:

- Grain Production
- Grain Storage
- Grain Trade

- Grain Processing
- Animal Production
- Animal Nutrition
- Animal Health
- Animal Husbandry
- Animal Processing
- Agricultural commodity Procurement
- Commodity lab Analysis
- National and international agricultural Research

## OUR VISION

- Delivering a **unique turn-key solution** for every individual client
- which will not only fit their **unique needs**
- but will enhance their business experience by **facilitating linkages** throughout the client's value chain
- '**Bringing it Together**', and ensuring a **sustainable** and prosperous business outcome.

## WHAT WE DO

The CAS business model was designed to focus attention on four key pillars:

### ORGANISATIONAL ADMINISTRATION

- Organisational management
- Strategic alignment / restructuring
- Business model embedding
- Business administration
- Meeting facilitation and secretariate services
- Member administration
